Thinking Out Loud

(By H. M. L.)

We notice that the Sierra Sun carries a short article reciting the fact that the Truckee Chamber of Commerce is of the opinion that the county jail at Nevada City should be modernized. The paper does not state that the county jail is a dismal, dark and unventilated dungeon. But it is. There are two tanks, seldom used, in the county jail. They are intended for the confinement of desperate characters awaiting trial and they are apparently patterned after the cells of the condemned in Folsom. But the rest of the jail, barring only a small room used for card games and reading, is not much better than the tanks.

Times have changed since the county court house was built. Many an innocent man, mistakenly accused must spend days and sometimes weeks before he comes to trial. Such men certainly ought not to be incarcerated in a dank tomb. In fact very few hardened criminals are locked in the county jail. Mostly they are failures to provide, drunken drivers and small fry of various kinds who cannot deposit bail. Half of them, on a loose guess, are acquitted.

It is degrading to throw an innocent man, as many of them prove to be, into a jail of this kind. They come out highly resentful. They have been deprived of light and fresh air for a varying period, and while it might be pleaded that the bedding is good enough for criminals, it hardly answers for covering men who are only charged with offenses. Even those convicted are usually first offenders. There is no rhyme nor reason in treating them as hard-boiled gangsters.

While the court house is being expanded something ought to be done about the jail. The Board of Supervisors are the ones who should do it. If anyone doubts that better quarters ae needed they only have to visit the jail, at the regular visiting hours, and the sheriff of his deputies will courteously show them about. They can see it and smell it. When thep have concluded their tour, they will agree with this writer that something should be done about it.

It is a sad thing to reflect that Will Rogers is no more. His memory will live for many a year, in time perhaps to be enshrined along with that of Mark Twain. The kindly man who loved his fellow men, who poked fun, that left no rankling, at all the great men of his era, the homely shrewd philosopher who understood so well the American genius, has left an empty place in the hearts of millions of his fellow countrymen. At bottom we think he was a greater humorist than an actor, and a greater philosopher than a humorist. His philisiphy was essentially, hard headed, pragmatic Americanism, born of his wide contact with all conditions of American life. It had the tang of pioneer humor and grit, the flavor of bed-rock patriotism and pride in American achievement. Whatever magnitude of greatness history accords Will Rogers, it is certain he was the only one of his kind (sui generis).

A good friend of San Juan Ridge writes: "The San Juan Fiesta is over, and the whole affair was a big success, both for the sponsors and the patrons. This Fiesta was the largest affair staged in any of Nevada County's small mountain towns since early days. Its success was attained by the hard work of all those who had to do with developing the excellent program. San Juan Ridge is to be complimented on the splendid manner in which the whole affair was put over. Much praise is due Chrstian Anderson, and Mrs. Anderson, for their untiring efforts and devotion to the work entailed in a event of such magnitude, and the League headed by Frank Miller, deserves the commendation it received from all those who attended the Fiesta."

TAKES PAINT AGENCY

The Builders' Supply House of Nevada City has the exclusive agency for Higgins Paint Company in this territory. They have sold as much as 50 gallons to one user for two or three of his houses. On a competitive quality and price basis the company sold one of the larger mines 50 gallons of the new paint. Fred E. Conner, manager of the company states he thinks so much of the new paint that he plans to paint the front of his office with it.

MARSH TO HEAD WPA WORK IN THREE COUNTIES

Richard Maddox, area director, State Emergency Relief Administration, announces the appointment of Fred T. Marsh as Acting Local Manager for Placer, Nevada and Sierra Counties, Works Progress Administration, by Gene Kenyon, District Director, Works Progress Administration.

Mr. Marsh has been acting as State Emergency Relief Administration area engineer during the past eight months. The existing State Emergency Relief Administration projects in this area have been resubmitted to the Works Progress Administration and their approval is expected shortly. Upon their approval the transfer of State Emergency Administration relief cases to this new program will begin.

BIRTH

BORN: At the Nevada City Sanitarium, Nevada City, August 21, 1935, to Mr. and Mrs. Robert Robbins Stebbins of North San Juan, a son.

BOGUS FOREST OFFICIAL PASSES BOGUS CHECKS

The officials of the Tahoe Forest Service are warning the people of this county that there is no Forest District No. 7.

They have received word that an individual, one J. D. Ellis has been passing himself off as a Forest Service official and passing bad checks, particularly at service stations. Reports of this have come from Gilroy, Oakland, Roseville and Arbuckle. He has been driving a car with a Nevada State license No. 5050. The checks he hands out are usually for small amounts, three or four dollars. He buys about a $1.00 worth of gas, hands the dealer the check and goes off with the change.

This man presents papers purporting to identify him as an official of Forest District No. 7.

CEMENT COURTS FOR HIGH SCHOOL ARE PROJECTED

High school projects which are pending under WPA auspices, but on which work will not probably be started before October first, provide for concrete basketball, tennis, and handball courts, sidewalks, and bleachers for the athtletic field. The athletic field under SERA work is now practically complete.

STRIKERS ARE EVICTED FROM JACKSON HALL

Members of the Mother Lode Miners Union of Jackson Wednesday were forced to evacuate their strike headquarters in the old Amador Dispatch Building on Main street by a group of 100 or more members of the Amador County Protective Association.

This is the charge made today by two members of the union who came to Sacramento to appeal for the assistance of labor officials here.

J. L. R. Marsh, secretary of the Federated Trades Council, sent on their appeal to national labor headquarters in Washington in a telegram to William Green, president of the merican Federation of Labor.

Mash's wire said: "The situation in Jackson warrants the full interference of the A. F. of L."

L. R. Colton, former secretary of the miners union, said trouble began Tuesday night when members of the protective association tore down the sign from the headquarters.

Mr. Robert Schuler and his sister, Miss Anna Schuler, cousins of Mrs. C. E. Parsons who have been guests at the Porsan home for the past week are now at Tahoe. Tuesday, with Dick Parsons they motored up the Redwood highway to Grants Pass, then though Lassen Park and thence to Tahoe. They will return to the Parsons home on Saturday.

GRAND PRESIDENT OF N. D. G. W. VISITS LAUREL PARLOR NO 6

After the banquet the beautiful program following enjoyed: Solo, Irene Carter, "I Love You California"; Address: "Patience," Virginia O'Neill; Address: "Duty", Ann Whiting; Self Denial: Louise Wales; Community singing; Solo: Irene Carter, "Auld Lang Syne."

After the program the group convened in the lodge room, three candidates were initiated. The Grand President made the principal address.

Out of town Native Daughters present were: Mrs. Kneebone of Bridgeport representing Columbia Parlor of French Corral; Mrs. Freida Ronchi and Mrs. Baur of Folsom and Mrs. Agnes Riley of San Francisco.

The Grand President was presented with a beautiful gift from Laurel Parlor.

PIONEER RESIDENT PASSES ON IN OAKLAND

Mrs. Annie Grundy Temberth well known pioneer resident of Nevada County died at the Highland Hospital, Oakland on Sunday, August 18 after a brief illness. Deceased was 79 years of age. Burial was made from the W. R. Jefford and Son Funeral Parlors Tuesday afternoon at 2 p. m.

FIRE BREAKS OUT NEAR LAKE VERA

A fire broke out in a ravine about a mile northwest of Lake Vera yesterday afternoon at 3 o'clock and made fast headway with a good breeze behind it. Huge volumes of smoke towered over the surrounding hills. From Piedmont camp on Lake Vera it was learned that State Ranger Bill Sharp had taken his entire crew from the camp near Nevada City and was making good progress in heading it off.

CITY COUNCIL PLANS BIG STREET PROJECT

The City Council met last night in a special session to discuss the proposed new street project for which Gordon M. Bettles is making the survey. The project would probably cost around fifteen thousand dollars and would include work on most of the streets in Nevada City.

The Fire Department sent representatives to the council to discuss the salary for the fire truck driver.

CONSOLIDATED METALS

H. B. Morse, superintendent of Cons. Metals property northwest of Nevada City stated to a Nugget reporter Wednesday that in his development program 70 feet of new drifting had been done in the Marks tunnel and work is to start again next week in the Goering shaft.

He has a surveying crew resurveying the whole property to etsablish old lines and corners. Mr. Morse has a full force of eight men employed.

IDAHO MINE VS. N. C. JAYS

Next Sunday afternoon the Idaho Maryland baseball team of Grass Valley and the Blue Jays of Nevada City will meet on the Watt Park diamond in the first of a three game series for the county baseball championship.

SERVICES FOR LATE C. E. GRAY

Services for the late C. E. Gray, who passed away in San Francisco on Monday were held yesterday morning at the Holmes Funeral Home at 9:30. The late Charles Gray was an uncle of Clarence R. Gray of this city.

COLLINS WARNS THAT TAX BILLS SHOULD DROP

SACRAMENTO, Aug. 22.—Calling upon California taxpayers to guard against every effort to dissipate new tax savings made possible under the second phase of the Riley-Stewart Tax Relief Plan, Richard E. Collins Chairman of the State Board of Equalization, announced today that the return of utility properties to county tax rolls should bring an average reduction of 15 percent in local tax bills this fall.

Properties of the utilities have been valued by the Board at $1,045,839,570, with $900,835,435 of this amount representing tangible property such as land, buildings and personal property.

"The board of equalization, carrying out the provisions of the constitutional amendment adopted by the people in 1933, has ordered the return of utility properties to county tax rolls," said Mr. Collins' statement.

"The consequent broadening of the local tax base should result in average tax reduction for common property taxpayers of approrimately 15 per cent, the exact amount of the relief depending on the amount of utility property in the various counties.

"It should be borne in mind, however, that while the board has paved the way for this relief that only an aroused and vigilant public opinion can prevent increased county expenditures which might dissipate these savings either in part or in whole.

"Relief is within reach, but the responsibility of guaranteeing that it shall be actual, rather than theoretical, rests with the taxpayers and their county boards of supervisors."

The statement emphasized that with a greatly broadened tax base, due to the increase in property subject to general local taxes, county boards of supervisors could increase expenditures without increasing the tax rate. But it also emphasized that this policy would destroy the tax relief intended under the new setup.

"Years ago, when the state ad valorem tax was abolished," said the statement, "there was a somewhat comparable situation. Counties, prior to abolition of the ad valorem tax, had included it in the general rate, acting, in effect, as tax collector for the state.

"When the tax was abolished, the tax reduction to which the taxpayers were entitled was completely nullified in most counties within five years by reason of increased expenditures. That condition must not be permitted during this period, when our taxpayers are in vital need of relief, and it is the job of every taxpayer to demand that the tax savings now made possible shall be safeguarded and maintained."

AMATERS WIN PLACE ON LOCAL PROGRAM

The three winners in the amateur hour which proved so popular at the San Juan Fiesta will present their acts in the Nevada Theatre tomorrow (Saturday) night. Christian Andersen who conceived the plan of giving all amateurs a chance to do their stunts at the Fiesta, has made all arrangements for their first professional appearance.

These groups of amateurs will appear in the Strand in Grass Valley on Sunday evening.

The prize winners are the Forest Hill Billies, the Singing Dennis Trio, and Miss Berdot, accordionist. Christian Andersen will act as master of ceremonies.

McKILLICAN BRIDGE FINISHED

The bridge at McKillican crossing on the middle fork of the Yuba has been completed and the crew of 16 men under W. H. Hoyt has been discharged. Hoyt returned last night with several of his bridge builders to Berkeley. The new bridge is of steel and has a 98 foot span.

THREE SERA PROJECTS MAY BE CONTINUED

It is learned from reliable sources that an effort will be made to continue three Nevada County projects undertaken under SERA auspices. These are the addition to the county court house, the cleaning out of Grass Valley's second reservoir and the SERA garden of two acres on the county farm. Other projects under SERA, it is learned are to be transferred to the WPA and work on these will probably not be resumed or started before the first of October.

PASSING OF FORMER RESIDENT

Chester Ismert who lived in the Olympia Park section about thirty years ago passed away in Oakland, Saturday, August 17. Death was due, it is believed to complications following a leg infection. Funeral services were held in Oakland on Tuesday, August 20. Deceased leaves to mourn him a wife and two brothers.

STATE COUNCIL HONORS MRS. GEO. GILDERSLEEVE

At the Great Council of Degree of Pocahontas held in Petaluma this week Mrs. Nettie Gildersleeve of Nevada City was appointed Great Councillor for the State of California and was installed into that station last night at the Great Council in Petaluma. A number of the members of Ponemah Council were present at the installation and feel very happy to have one of their number so honored.

BANNER MT. POST V. F. W.

Banner Mountain Post, V. F. W., of Nevada City met last evening and organized a membership committee to initiate a big class the latter part of September. The post has a splendid membership and is one of the most active in the eighth district.

BILL AUTHORIZES $6,945,000 FOR DEBRIS DAMS

The following telegram has been received from Congressman Harry L. Englebright which will be good news to all those who are interested in the resumption of dydraulic mining on a large scale:

"Am glad to tell you that I have succeeded in having an amendment included in the Rivers and Harbors Bill which passed the Senate yesterday authorizing an appropriation of $6,945,000 for the construction of hydraulic mining dams on the Bear, American and Yuba Rivers. This gives the status of a project authorized by Congress to be constructed by the War Department. Every effort will be made to secure the necessary appropriation for construction.

IDAHO-MARYLAND

Idaho-Maryland mine profits are being estimated for this year at about $750,000. Last year the company profits after minority interests, taxes and other charges, but before depreciation, amortization and depletion, was reported at $523,090. To date the mining and milling rate has been averaging considerably above last year. Recovery values have increased proportionately and expenses have been somewhat reduced. This is one of the largest mines of Nevada County located northeast of Grass Valley and has 525 men on its payroll. Errol MacBoyle is superintendent and general manager.

GREEN MOUNTAIN PROPERTY

Messrs. Charles and Norman Kistle are now down 18 feet in their program of development on the newly discovered six foot ledge in their Green Mountain property north east of the Murchie mine. The ore still holds its values of $465.50 per ton with the ledge widening as it goes down. Plans are to sink 100 feet in order to block out a large ore body for mining.

RECEPTION TO HONOR MISS MINNIE BRAND

A reception will be held at the Elks Hall on Wednesday evening, August 28, for one of the most beloved women in this county, Miss Minnie Brand. It will be given by the women of the Nevada City Women's Civic Club to honor a member whom they have always held in the highest esteem and for whom they feel deep regard.

Miss Brand is leaving Nevada City early in September to make her home in Sacramento with the R. W. Gaylord family to whom she is deeply attached. Her friends in Nevada City realize that Miss Brand will be greatly missed as a member of this community but are glad that her new home is not far away and feel that she cannot help but return to visit them often.

All the friends and acquaintances of Miss Brand are invited to attend the reception Wednesday night. Mrs. R. W. Gaylord of Sacramento will be Miss Brand's honor guest at the reception, other members of the reception group will be Mrs. Belle Douglass, Mrs. A. W. Lester, Mrs. H. E. Kjorlie, Mrs. George Gildersleeve, Miss Winnie Mulloy and Mrs. Frank Nilon.

Miss Brand was born at West Point, Calaveras County, and came with her parents as a little child to Nevada City where she has resided ever since, living in her present home for over fifty years After her early schooling in Nevada City she studied music under the best teachers in Sacramento and San Francisco and ever since has had classes in music here. She has most generously given of her talents to her friends and the public, ever ready to render piano solos or accompaniments to others.

Miss Brand's generous hospitality has been eenjoyed by very many of the people of the county, as she always made visitors feel welcome. In 1907 the studio was added to the Brand home and in it have been held very many happy social, civic and cultural affairs with Miss Brand as an ideal hostess.

Miss Brand was a charter member of the local Benevolent Society and for many years served as its president and became known for her loving sympathy and generous charity.

Every project of civic interest received Miss Brand's whole-hearted support. She was a charter member of the Woman's Civic Club and has worked zealously in it ever since its inception. She served as its president in 1933-1934 and it was under her presidency that the local club was host club to the Northern California Federated Woman's Club Convention for which Nevada City will be long remembered. Very many letters received by members when the convention was over referred to the "gracious presence of your president."

Miss Brand was president of the Native Daughters for two terms. She is a member of the Empire Country club and a member of the Book club.

So it is all the people who would like to greet Miss Brand, that the invitation is extended to attend the reception in her honor at the Elks Hall on Wednesday night, August 28 from 8 o'clock until 10:30.

MAYOR SEAMAN IS RECOVERING

Mayor Al Seaman, who has been seriously ill was reported yesterday as gradually regaining his health. He has always enjoyed excellent health and the fact of being ill and unable to be about his work and his duties as a member of the city council, worries him and, according to medical authoritl, retards his recovery. It will be good news to his many friends, however, that he is now well on the way to normal health.

State Fair

(Contributed)

If you can think for a moment of the state personified in the form of an individual, one might say that California is going to don its Sunday best, wash thoroughly behind the ears, and go out among them at Sacramento about a week hence.

The State Fair will be under way, to hold sway for ten days beginning August 31.

This year the meeting promises to be bigger, better, more full of health and fun and spirit than it has since the dark days descended. Cattlemen have indicated they will show more and better stock; the California Farm Bureau Federation contends that prize-winning produce will have to be quite something to take blue ribbons this time; response generally throughout the state presages a new record attendance at this, the eighty-first fair in California history.

A California Governor once said, "Our people come to the State Fair for the purpose of exhibiting and seeing perfected products of agriculture, industry and animal husbandry. School children and young people generally are interested in the program of entertainment and the diversified display of educational items. But the Fair is more than an exhibition park; it is a great human assemblage where experiences are related, ideas exchanged, and ideals established."

It is all that. But this year, especially, it is still more. The Fair will serve as a sort of official 'going away" party for old man Depression—and all those who come to gaze upon the bountiful yields of California will feel a new hope not unmixed with thankfulness.

NEV. CO. SHARE OF MOTOR CAR FEES IS $7,457

SACRAMENTO, Aug. 22.—Record gain in motor vehicle registration in first six months of this year, bringing increase in apportionment of funds for highway development and repair, today gave new evidence of improved business conditions in California.

Registered from Nevada County are 5567 motor vehicles. The county's share of the fees paid is $7,457.

Reporting to Governor Frank F. Merriam, Director Ray Ingels of department of motor vehicles announced a total of 2,077,350 fee-paid registrations for the six month period ending June 30 and a consequent apportionment of $5,565,686.34 for highway construction and repair.

Half of the apportionment, $2,782,793.17, goes to division of highways for development and repair of state roads. The other half is shared by the 58 counties for highway improvement and construction in their political subdivisions, the allotment being based on vehicle registrations in the counties.

"With the six month apportionment figure exceeding that of the same period for 1934 by $422,217.54 and being greater by $121,388.10 than the 12-month total of last year there is no question concerning California's upward business trend," said Director Ingels. "Registration of motor vehicles from January 1 to June 30 was the heaviest since 1929 and every county listed a gain in the total increase of 113,464 registrations over the first six months of 1934."

HERE'S A CHANCE TO GET P. O. POSITION

The United States Civil Service Commission announces an open competitive examination for position of substitute clerk in the Nevada City postoffice. Applicants will be eligible for appointment only in the ofifec for which examined. From the eligibles resulting from this examination it is expected to make certification to fill existing and future vacancies in the position of substitute clerk and occassionally as demand arises to regular clerk or clerk-carrier at the Nevada City postoffice.

This examination is open to all citizens of the United States who meet the requirements. Foreign born applicants must submit with their applications, proof of United States citizenship. Veteran preference will be recognized upon documentary proof of said service.

Applicants must have reached their 18th but not their 45th birthday on the date of the close of receipt of applications.

Applications must be on file with the United States Civil Service Commission manager, Mr. Harry Kranz, Room 314 995 Market street, San Francisco, California, not later than September 3, 1935.

Applicants must be at least 5 feet 4 inches in height, without shoes. At time of appointment, at least 125 pounds in ordinary clothing.

Persons appointed must have such health and freedom from physical defects as will enable them to meet the rigid physical standard which the post office department and the Civil Service Commission demands. Before appointment they will be required to pass a physical examination by a federal medical officer. Failure to pass such an examination will prevent appointment except that with respect to certain defects the requirements may be waved in the case of honorary discharged soldiers, sailors and marines, who establish disability preference.

For application blanks and detailed information regarding this examination consult the postmaster at the Nevada City postoffice.

ACME BREWERY SETS PRODUCTION RECORD

The largest single month's porduction of beer since prohibition by any California brewery was achieved by the Acme Brewery in July with an output of 935.246 gallons. According to figures released by the California Board of Equalization, the California brewing industry, as a whole, achieved the largest months' production total since repeal with the fourteen major breweries output totalling 5,896,931 gallons as contrasted with 5,365,048 gallons in 1934.

However, one-third of the total gain of the industry was represented by the gain in the production of Acme beer which beverage is in the lead for the year 1935, as well as for the two preceding years.

Karl F. Schuster, president of the Acme Brewery, stated that he accredits a good part of the leadership of Acme beer to the consistent newspaper advertising which has been employed ever since beer was legalized. Schuster stated "that in order to attain leadership in the brewing industry today, it's not alone sufficient to manufacture a superior product, but that the public must be constantly reminded." He stated "that, based on results achieved, newspaper advertitsing was a powerful and economical medium to create brand favoritism."

FIRE BUGS ARE NABBED BY U. S. FOREST RANGERS

Capture and arrest of incendiaries within twelve hours after they had started disastrous fires on the Shasta and Sequoia National Forests is part of the law enforcement record of the Forest Service in the National forests of California for the past two months, according to a statement today by Regional Forester S. B. Show. In two other cases the incendiary suspects have been arrested and await trial in the Federal Court. Capture of one incendiary was aided by aeroplane by the Forest Service officers.

Determined to stamp out incendiary fires and correct carelessness with fire in the national forests, the Forest Service is making a law enforcement drive this year which has resulted in thirty cases in the past two months. Prison sentences have been imposed in two cases, two are pending, eight have been granted probation or suspended sentences and in 14 cases fines have been imposed for the throwing of lighted tobacco or matches from automobiles. In this campaign to save the forests, streams and recreation grounds of California the Forest Service has been actively co-operated with by all local Justices of the Peace and law officers. The state authorities have made available the teletype and identification system for use of law enforcement officers of the Forest Service. The U. S. Department of Justice also stands ready to give aid if necessary.

Forest officers state that careless smokers continue to be the chief agency of man-caused fires. So far this year lightning has set 44 percent of the fires in national forests, careless smokers 49 percent of the man caused fires and incendiaries 3 percent of the man caused fires. Court records show that the travelers and users of the forests in the northern part of the state are more careless with fire in the forests than in the south.

John Muscardini returned home Sunday from a weeks visit with his aunt, Mrs. R. J. Ronchi and Mr. Ronchi at Folsom.

Many thousands of thrifty people have compared costs and decided that the train, at 2¢ a mile and less, is the best travel buy today. Trains travel swiftly and safely over the smoothest highway yet invented. Trains have many comforts: You relax while the engineer does the driving. Sleep when sleepy. Eat when hungry. Drink iced water when thirsty. Read or write as you ride. And there's always a convenient rest room.

STATE CREW PUTS OUT FIRE AT SAN JUAN

State Ranger William F. Sharp and crew of ten men with an assistant ranger, truck driver, were called to North San Juan Wednesday to extinguish a fire at the base ball diamond that flared up and promised to be of good size.

There is a small reservoir above the ball field and it is supposed that one of a group of boys swimming in the pool must have dropped a lighted match or cigarette starting the blaze, just after they left.

The pumper on the truck was put to work. The men had the fire under control after burning over an acre of ground.

The fire was reported in by Dan Ruth, state ranger at the Oregon Creek Lookout, in Butte county. The lookout is on a high mountain and overlooks the San Juan area.

ANNUAL AUDIT OF N. C. COUNTY BOOKS

Lyman M. Straine, certified public accountant, of the firm, L. M. Straine & Co., of Sacramento has begun the annual auditing of the county books for the fiscal year beginning July 1, 1934 and ending June 30, 1935. The work will require about a month and the company will make its report direct to the grand jury. It is expected that as in the past many years the books will be found to be in A-1 shape.

BEER AND WINE TAXES TREND UP

SACRAMENTO, Aug. 22.—State beer and wine taxes for July increased substantially over the same month of last year, with $187,472.87 assessed, against $163,920.22 for July, 1934 John C. Corbett, member of the State Board of Equalization, announced today.

Beer drinkers consumed 7,298,882 gallons of the beverage last month, 91.4 percent of which was manufactured in the state, Corbett said. A total of 1,325,234 gallons of wine was sold for use in California, of which only 36,840 gallons was imported.

Assessments during July increased $23,920 over those for June, the report showed.

CONSUMPTION OF GAS AT NEW HIGH

SACRAMENTO, Aug. 22.—Collapse of the N. R. A. was reflected in California gasoline tax assessments for July, in an announcement by the State Board of Equalization today that these taxes totaled $4,351,472.

This amount was an increase of 43 per cent over July of last year, and the greatest increase ever noted by the board in any month over the same month of the previous year, according to R. E. Collins, the chairman of the board.

"Controlled prices under N. R. A. resulted in a huge amount of gasoline being withheld from the market," Collins said. "With the Supreme Court decision this gallonage began to reach the market in huge quantities. The price fell rapidly, and a situation comparable to a price war developed."

A total of 146,614,211 gallons of gasoline was sold during the month.

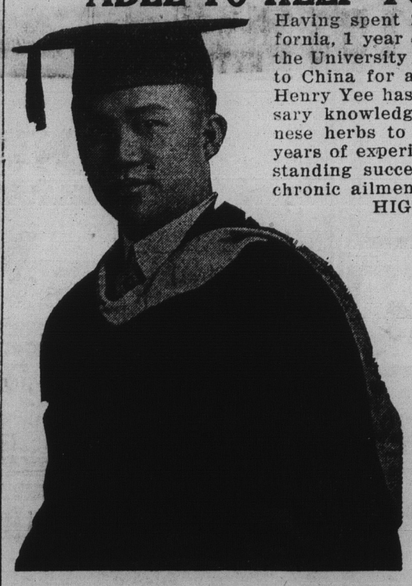
HENRY YEE IS WELL PREPARED AND ABLE TO HELP YOUR AILMENT



Having spent 2 years in the University of California, 1 year at Leland Stanford and 2 years at the University of Michigan then having returned to China for a 7 year course in Chinese herbs, Henry Yee has equipped himself with the necessary knowledge to successfully administer Chinese herbs to aid your health. He has had 16 years of experience and accomplished many outstanding successes with patients who have had chronic ailments.

HIGHLY RECOMMENDED
Dear Sir:
Having suffered twelve years with stomach trouble, I want to thank you for your 3 weeks' herbal treatment. My trouble has completely disappeared.
J. T. BARBER,
1517 M St., Sacramento.

ARTHRITIS REMOVED
I suffered with arthritis in my knee joint for 1½ years. Took Henry Yees' herbs for few weeks. Am all well now. All of the swelling and pain is gone.
If such quick relief can be obtained there is no excuse for anyone to be sick.
CHAS. BUSH, Rt. 4, Box 3068, City.

ANOTHER RECOMMENDATION
I suffered from blood poison in my hand. Have been affected for 2 weeks Treatment entirely satisfactory and feel fine. I am able to work now.
TOM KITE, care of Sutter Basin Co., Robbins, Calif.

BLOOD TROUBLE
I suffered with blood trouble for many years. I have been doctoring with others, spent lots of money. They did me no good until I came to H. Yee. After taking his herbs for 2 months I am all well now. If any one sick I highly recommend Yee & Yee Herb Co.
JOHN DICHESARE, 2416-16th St., Sacramento.

GOOD SERVICE COSTS NO MORE
A modern establishment—a trained, intelligent and courteous personnel — distinctive motor equipment and other evidences of progress and prosperity are NOT an indication that funeral service charges will be high. LUNCH ROOM ADDED TO CAIN'S AUTO COURT

E. B. Cain, who recently purchased Rude's Auto Court, states that business has been so good there that he has obtained a release from his contract as high school principle at Red Bluff and will give the court all his time. Very rarely are any of his auto apartments vacant. He is now remodeling his own dwelling at the court, and putting in an excellent lunch room, in which he is installing a soda fountain, and up-to-date refreshment facilities, with special reference to the needs of the high school children. Work on these improvements is being rushed in an effort to have them completed by school opening.

Miss Genevieve Dolan Weds Donald McKay

Relatives and friends in Nevada City are in receipt of the news of the recent marriage of the former Miss Genevieve Dolan to Mr. Donald McKay, in San Francisco.

Mrs. McKay is the niece of Mr. J. F. Dolan of this city. She has visited here on numerous occasions, having spent a part of this summer here. She is a graduate of University of California, and taught in the high school at Modesto for three years, resigning her position this spring. Mrs. McKay was extensively entertained during the spring and summer, a recent affair being a tea at the St. Francis hotel.

The groom is the principal of the Jackson high school.

William Jeffrey, Jr., who is in his sophomore year at University of California, Berkeley, left today to resume his studies. He was accompanied to Sacramento by his mother, Mrs. William Jeffrey, Sr., and brother, Charles Jeffrey. Mrs. Jeffrey's sister, Mrs. Charles Wild of San Francisco, will return with her for a visit.

Mr. and Mrs. Dave Holland of Sacramento and Mrs. James Langman of Los Angeles, motored to San Juan Sunday. Mr. Holland visited his brother, Joe Holland who is ill, and they also atteneded the Fiesta. They visited with relatives and friends in Nevada City. Mrs. Langman is a sister in law of Miss Alice Langman and Mrs. Libby Shields.

Roy Walsh of Washington was a business visitor in Nevada City on Tuesday. He was accompanied by Mr. and Mrs. Charles Bley, and all enjoyed a visit with Mr. and Mrs. Carl T. Larsen in their pretty new home.

The S. Lee Leiter dry goods store in this city is featuring some specials in girl's and women's hats and dresses, besides suits and furnishings for men and boys that are particularly attractive.

Father J. J. McGarry of Maxwell returned home today after a visit of several days with Father O'Reilly in Nevada City. Father McGarry was called to the Colusa county district from this territory several years ago and is greatly loved by his former parishoners and many friends.

Miss Mary Bennett, daughter of Mr. and Mrs. E. R. Bennett, of this city is to enter Stanford University in a few days for the fall term.

County Treasurer Frank Steel is enjoying a vacation at Santa Cruz.

No strings to this offer

Here's a test that will prove to your own satisfaction that the Ford V-8 truck can haul more tons—more miles—with more satisfaction—at less cost.

Put your own driver back of the wheel—have him test the new Ford V-8 truck on any hauling job—with your loads—and let the results speak for themselves. We will furnish the truck, the oil and the gas—it won't cost you a dime to find out exactly why Ford V-8 trucks earn bigger profits for their owners.

Ask your driver what he thinks of the comfort and convenience of the cab . . . the ease of handling . . . the speed and ability of the 80 horsepower V-8 engine.

Then ask us about the Ford factory reconditioned engine and parts plan that keeps your truck at peak condition yet materially reduces maintenance costs.

New Shopping Plan Points Way to Trim Family Food Budget.
You're invited to try it

(By Joe Wilhoite)
SAFEWAY GROCER

Actually these are our everyday money-savers. ....Definite aids in keeping your food budget down.

But don't judge by price alone. Drop in and compare quality too. We believe, you'll see a wide-open opportunity to make real savings . . . not just once in awhile, but week after week.

Why not try this plan for a month? Buy all your food at your Safeway grocer's. After 30 days, add up your food bills, and check your total against what you spent the previous month.

You'll notice, for example, that your saving on Airway Coffee alone is a big one . . . typical of many other economies all along the line.

And — at the end of your month's test—we believe you find that you've really trimmed many dollars from your whole food budget.

Parsons Garden Will Be Setting for Guild Party

St. Agnes Guild will give its first party of the fall season on next Thursday at the home of Mrs. C. E. Parsons. The Parson's garden is a most beautiful setting for a party and the ladies are looking forward with much pleasure to the games in the shade of the beautiful trees. Tables for contract, auction and mah jongg will be placed about the lawn. Every member of the guild will probably arrange for a table and it is expected that over a hundred ladies will enjoy the affair.

Birthday Dinner For Mrs. Ernest Schreiber

A happy time was spent at the home of Mr. and Mrs. Ernest Schreiber on Wednesday evening when several guests were present to enjoy a party honoring Mrs. Schreiber's birthday. After serving of the delicious dinner a social time was enjoyed. A profusion of beautiful flowers were used in decorating the pretty rooms and table.

Mrs. Gove C. Celio Enterains in New Home

Several friends from Nevada City and Grass Valley called on Mr. and Mrs. Gove C. Celio Sunday at their beautiful country home up on the Tahoe Ukiah highway and were charmed with this new home that has been built within the last year. A rustic finish has been carried out as far as possible inside and on the porches. Much of the wildwood beauty has been transformed into the most ideal home surroundings. The big blue-grass lawn is velvety, and in it are several rock gardens and ponds. There are two duck ponds in the rear under immense spreading oak trees. About six feet from the porch at the back is a rock fish pond that would be a delight to any one. In it are several perch and in showing the visitors how the fish jumped out of the water, and their beauty, Mr. Celio very nearly received a ducking.

The panorama from the rear of the home which is on the top of a rough rocky slope gives a full view of Willow Valley and several homes.

Mrs. Celio invited her friends to the wood shed, of great rustic slabs with bark inside, where a pigeon had stolen a nest.

Mr. and Mrs. Celio have many more plans to be carried out in the new yard which will make it one of the beauty spots of the district. Dainty refreshments concluded a happy afternoon.

"... the basement's mine— we put in GAS HEAT"

THE WHOLE FAMILY will have cause to celebrate when gas heating makes it no longer a burden to keep your house warm in cold weather. Compact out-of-the-way floor furnaces and unit heaters conserve space and deliver a lively volume at low hourly operating cost. For basements, there are central furnaces which operate automatically to save countless steps and deliver year-'round heating to every room without fuel handling or storing. With any type of installation, you have that old storage space available. Why not make the basement a playroom?

Best of all, too, gas heating costs are low when all the facts are known. The most carefully budgeted home, the one in which costs are definitely known, seldom fails to realize that gas heating costs less.

Give your home effortless and economical heating this winter. All types of gas heating equipment can now be purchased on very easy monthly terms. Come in and see how little it will cost you to buy and to operate the kind of gas heating your home requires.
